

It's that time again! Back to school. We hope you enjoyed the summer. For those of you heading back to school, we wish you a safe and happy year!

Your Team!

Welcome to our newsletter!

Seuss Pediatric Dentistry & Orthodontics announce the first edition of their monthly newsletter, Healthy Tooth News. The newsletter will provide healthy tips for parents, and showcase some of the past month's patients having fun at their appointments. Also pictured, will be those children who have worked hard to be cavity free. (See Cavity Free Club details on the next page.) Finally, the newsletter will be a place to announce current contests and events. Hopefully you already know we are currently giving away Diamondbacks tickets. Enter on the contest page at SeussPedoOrtho.com for your chance to win!

Great Oral Hygiene Starts At Home

Starting at birth, clean your child's gums with a soft cloth and water. As soon as your child's teeth erupt, brush them with a soft-bristled toothbrush.

If your child is under the age of 2, use a small "smear" of toothpaste. When they're 2-5 years old, use a "pea-size" amount of toothpaste. Be sure and use an ADA-accepted fluoride toothpaste and make sure your child does not swallow it.

When brushing, the parent should brush the child's teeth until they are old enough to do a good job on their own.

Cavity Free Club

It's not easy being a kid, especially when parents ask them to do things like eat vegetables, clean their room, and brush their teeth! Could anything be worse? Maybe. How about cavities?

Recent studies indicate that over 40% of kids will have a cavity by the time they enter kindergarten and 21% of kids between 6 to 11 will have a cavity in their permanent teeth! Because kids are getting more cavities than ever, Seuss Pediatric Dentistry & Orthodontics is here to help kids, and their parents, battle those pesky sugar bugs with the Cavity Free Club! After every dental cleaning, if your child is cavity free they will receive a certificate with their name on it and our congratulations for a job well done. They also are entered into a monthly drawing for a \$25 gift card.
